

IN THE UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF OHIO  
WESTERN DIVISION

UNITED STATES OF AMERICA,

:  
Plaintiff,

:  
vs.

Case No. 3:04cr095 (1)

MEGED DAWVID YISRA'EL,

:  
JUDGE WALTER H. RICE

:  
Defendant.

---

ENTRY RECOMMENDING DEFENDANT FOR TWELVE-MONTH  
PLACEMENT IN HALFWAY HOUSE PURSUANT TO SECOND  
CHANCE ACT

---

Having reviewed the entirety of this Court's personal file on the above captioned and, further, taking into account his *pro se* motion to recommend twelve-month halfway house time, pursuant to the Second Chance Act, this Court finds said request to be well taken and the Court does SUSTAIN same in its entirety.

In short, this Court recommends that the captioned inmate of the Terre Haute Federal Correctional Institution, some 62 years of age at this date, sentenced to a total of 144 months on November 5, 2007, with a projected release date of July 25, 2021, be favorably considered by the Bureau of Prisons for a minimum of twelve months in a halfway house, pursuant to the Second Chance Act.

In support of this decision, the Court understands that throughout Mr. Yisra'el's thirteen years of incarceration, he has received a perfect conduct record with no disciplinary infractions

(with one minor exception which, as I understand it, was the result of a misunderstanding with staff) and, further, he has completed numerous educational, psychology and rehabilitative programs offered by the Bureau of Prisons aimed at reducing recidivism and maximizing successful reentry. He has worked full time jobs, receiving high job performance ratings. The Court believes, based upon its information, that he has been a model inmate.

The Court would appreciate an acknowledgement of the receipt of this request.
